ENVIRONMENT, HEALTH AND SAFETY POLICY

International Paper is one of the world's leading producers of Fiber-based Packaging, Pulp, Paper and Paper boards. We, at International Paper APPM Ltd. are fully committed to excellence in Environmental, Health and Safety for sustainable practices by continually improving EHS performance.

Environment, Health and Safety are fundamental values, and we strive to develop, operate and maintain healthy and, accident and injury free workplaces for our employees and relevant interested parties.

Sustainable practices represent the foundation of our business, and we endeavor to minimize Environment, Health and Safety impacts during the development, manufacture, distribution, use and at the end-of-life of our products. This includes a commitment to the communities where we operate, work and live to responsibly manage our resources, facilities and related businesses.

International Paper APPM Ltd. partner with suppliers of responsibly grown fiber and routinely certify our fiber supply chain to widely recognized standards. Our commitment extends to include manufacturing and supply chain excellence.

To fulfill these commitments, we hold our leaders responsible for the engagement of employees to ensure:

- Compliance with all applicable laws, regulations and other requirements.
- Transparent reporting of our EHS metrics and progress against our commitment.
- Promote awareness of Environmental, Health, Safety standards through sustainable leadership.
- Provide resources and technology for prevention of pollution and protecting environment by reducing, recycling, recovering and reusing the natural resources.
- In striving continual improvement of EHS performance, the company sets annual objectives and targets against which its performance is monitored.
- Provides Safe and Healthy working conditions for the prevention of work-related injuries and ill-health by eliminating hazards and reducing OH&S risks.
- Maintain sustainability requirements with respect to Social, Economic and Environmental context.

Continually improving our Environmental, Health and Safety performance is a cornerstone of our future business success and fundamental to The IP Way Forward.
